Matthieu Théard

Haitian–French dual national. Early Warning & Engagement · Stabilisation · Haiti Expertise.

matthieutheard@icloud.com · (+41) 78 242 91 67 · Port-au-Prince / Geneva area

Languages: Haitian Creole (Native) · French (Native) · English (Native) · Spanish (C1) · Portuguese (B1)

OCHA ERS · Jul–Dec 2026 · Available for Port-au-Prince from January 2027 · Cadre 22: solinvictus.app/cadre

PROFESSIONAL PROFILE

Haitian dual national with specialised expertise in gang governance, community dynamics in conflict-affected areas, and humanitarian access in Haiti. Currently applying this knowledge in the OCHA Emergency Response Section. Combines rigorous analytical skills (MA thesis on Gang Governance in Haiti), UN operational experience (UNHCR + OCHA), and full native fluency in Haitian Creole, French and English. Strong capacity to facilitate dialogue with communities, track perceptions and early-warning signals, and translate local realities into actionable analysis for security and stabilisation actors.

EXPERIENCE

Intern – Emergency Response Section, Operational Support Unit (Operational Partners), OCHA, Geneva

1 Jul – 18 Dec 2026 · Response Support Branch

- Maintain statistics on operational partners' support to OCHA/UNDAC, keeping data aligned across databases and ready for extraction and analysis.
- Support UNDAC partnerships work in the UNDAC Training Working Group, producing summary documents and infographics.
- Act as OSU/Operational Partners communications focal point in the Response Branch Communications Working Group; update and post on the UNDAC LinkedIn page to raise awareness and engagement.
- Prepare and document meetings of the UNDAC Logistics Working Group and the International Humanitarian Partnership (IHP); during UNDAC deployments, support administrative coordination of partners' mobilisation.
- Produced *Shadows of Governance*, a three-part analytical series for senior leadership on Haiti: the MSS-to-GSF transition, Resolution 2793, armed governance, IDPs, food insecurity and civil-military coordination implications.
- Built an OCHA-branded, AI-assisted drafting module for the UNDAC End of Mission Report template.

Intern – Liaison Unit for Regional Bureaux, UNHCR, Geneva

2022 – 2023 · 8 months

- Compiled and synthesised Country of Origin Information on Haiti, delivering balanced analysis used for protection and operational decision-making.
- Supported the Working Group on Human Rights and Mobility in Latin America & the Caribbean through research on Access to Territory and Access to Justice, with contextual analyses and recommendations.
- Organised high-level meetings, prepared agendas and briefing notes, and produced detailed summaries to guide follow-up action.
- Followed UNHCR's Executive and Standing Committees: contributed to operational updates on forced recruitment in Sudan and displacement in the East and Horn of Africa, and supported a side event on Colombia's Truth Commission.
- Supported preparatory work for the Global Refugee Forum, including contributions from the West Africa region.

EDUCATION

Master's in International History and Politics, Geneva Graduate Institute (IHEID)

2023 – 2025

Thesis: Gang Governance in Haiti — non-state armed actors, territorial control, state fragility, humanitarian access in gang-controlled zones, and pathways for institutional reconstruction.

BA, International Security & Diplomacy, Syracuse University, Maxwell School

2015 – 2019

CORE COMPETENCIES

Community-level conflict analysis & early warning · Perception tracking and feedback mechanisms · Dialogue facilitation with local communities and civil society · Protection of vulnerable groups (women, children) · Civil-military and inter-agency coordination · Quick Impact Project identification and civil-society partnership · Information synthesis (COI, policy material) · Meeting organisation & coordination · High-quality drafting in French and English · Information synthesis under pressure

ADDITIONAL EXPERIENCE

Digital Communications & Product Design · 2018 – 2025 — Designed websites and outreach materials for community organisations and non-profits; produced clear, accessible content in French and English for diverse audiences.
Volunteer — Association Suisse de Kinomichi and Tennis Club de Ferney-Voltaire: content production, event support and community engagement.
